STATE HEALTH REQUIREMENTS PRESCHOOL, KINDERGARTEN, and SIXTH GRADE

Dear Parents/ Guardian:

The Illinois School Code (Sec. 27-8.1 revised July, 2002) **REQUIRES** that all students entering preschool, kindergarten (or first grade if kindergarten was not attended), and sixth grade have the following upon entrance to school:

- 1) **Physical Examination** – The exam must have been administered within one year prior to entering the grade level. The **lead screening** applies to preschool and kindergarten students. Please note that we are required to have on file the date the lead screening was administered. It is not necessary for us to have the results of the test. **Diabetes Screening** is now required by the State of Illinois for children entering preschool, kindergarten and 6th grade.
- 2) **Immunizations** – Specific dates (month-day-year) must be provided. At all grade levels, Diphtheria, Tetanus, Measles, Rubella, Mumps, and Polio are required. Pertussis is required for children under the age of 6. The Varicella (chicken pox) vaccine is required for preschool, kindergarten, 1st, 2nd, 3rd, 4th, 5th, 6th, and 7th grade. Hepatitis B is required for all grades, and Haemophilus Influenzae Type B (Hib) is required for preschool only. Children who are unable to receive any of the required immunizations for medical reasons must have the physician provide written confirmation indicating that the specific immunization is “medically contraindicated.”

Failure to comply with the Illinois School Code will result in your child being excluded from school.

Since your child’s health has a great influence on his/her educational progress, we know we can expect your cooperation in this matter.

The enclosed State of Illinois form, Certificate of Child’s Health Examination, is the **only** acceptable documentation of the physical examination. **Parents must complete the heading (name, address, etc.) and complete and sign the Health History section of the form.** The physician, nurse practitioner, or physician assistant must complete and sign the To Be Completed By MD/APN/PA section of the form. The immunizations section of the form must be completed and the dates verified by the health professional’s signature.

The Health Records are REQUIRED to be completed by the first day of school or your child will Not be allowed to attend. If you have any questions regarding the State Health Requirements, please contact Mrs. Armando at 847-885-7702.

Sincerely,

Vito C. De Frisco
Principal
