

## **Teacher Commitment**

We pledge ourselves as Christian educators "not merely to advance the internal renewal of the Church but to preserve and enhance its beneficent influence upon today's world, especially its intellectual world. "(Declaration on Christian Education, Vatican II).

We strive to provide an environment in which students are challenged and motivated to greater intellectual growth and in which faith is nourished and fortified through daily religion classes, prayer and example.

As teachers and administrators of St. Hubert School, we strive to provide an atmosphere in our relationships with each other and with our children, where our own interest in learning and the sharing of our knowledge and experience inspire students to greater intellectual growth, where faith is nourished and fortified through prayer and example.
