## Principal's News

Our fourth grade students led by Mrs. Keehan and Ms. Kelly wrote letters of encouragement and to President Barack Obama. In studying about the election process, the fourth grade wanted to welcome President Obama into the Presidency in a special way. The class decided to send a big, red banner with messages written on patriotic hearts. In addition, photos the students found of President Obama were added to the banner which was received at the White House on February 25, 2009.

### Development Core Team

We are proud to announce that we raised \$28,000.00 at our Black and Gold Gala. It was a great example of how all of the groups in the school - administration, teachers, parishioners, Parents Club, Development Core Team, School Board, friends and parents - could come together to make something fantastic happen. We are sure part of an amazing place.
