SAINT HUBERT CATHOLIC SCHOOL
PRINCIPAL TRAVELS TO AFRICA

From March 10 through March 21, Saint Hubert Catholic School Principal Vito C. DeFrisco will be traveling with the Director of Catholic Identity and Mission for the Office of Catholic Schools, along with nine principals and teachers to Nsukka, Nigeria. As educators of the Archdiocese of Chicago, they will be the first delegation representing the Archdiocesan Office of Catholic Schools and the Catholic school system in a partnership that has been established with the Catholic Diocese of Nsukka, Nigeria. Through this long-term partnership, the hope is to realize the development of an office of Catholic schools for Nsukka and ultimately a lab school which will include a teachers college. This traveling delegation will be engaged in a very intense experience of visiting many Catholic schools in Nsukka and surrounding areas, encountering the joy of thousands of students, conversing with hundreds of Catholic school educators and diocesan leaders, including the Bishop of Nsukka. This is Principal DeFrisco's first trip to Nigeria and he believes it will truly be a rewarding experience for the traveling delegation.

Saint Hubert Catholic School, serves the Hoffman Estates, Schaumburg, and local area for Preschool, Kindergarten, and Grades First through Eighth and continues REGISTRATION for the upcoming 2010-2011 school year. Please contact the School office at 847-885-7702 for registration materials and to schedule a tour to see all that our School has to offer.
