

## **FOCCUS for Engaged Couples**

FOCCUS is an inventory that helps engaged couples learn more about themselves and each other in regard to various topics important to marriage. It is not a compatibility test. It is meant to help you see the strengths in your communication, as well as the areas where you may need to grow.

**It is important to complete FOCCUS soon after you have booked your wedding and met with a deacon. It is recommended that it be done at least 2 months before you attend your Marriage Preparation Program.** There are two parts to FOCCUS: completing the questionnaire and a follow-up session that will be scheduled later.

**Call the Parish Office 847-885-7700 to register for one of these upcoming dates.**
