MORE ABOUT US...

St. Hubert Job & Networking Ministry is a fellowship of men and women with a common desire to become employed or seek career advancement through a Christian forum. There are no dues or fees for membership. We are self-supporting through our own contributions.

St. Hubert Job & Networking Ministry is dedicated to providing the following services to all those in need:

- Christian Fellowship and Support
- Job Networking Opportunities and Accountability Groups
- Career Skills Presentations
- Resume Preparation & Critiquing
- Interviewing Skills and Techniques
- Job Fair Opportunities and Dates
- Area Employment Opportunities

The ministry's primary purpose is to prepare the attendee to face the challenges of a new job search and to shorten the time of unemployment, underemployment or alternative-employment connection.

Christian beliefs and fellowship govern the ministry's actions, including worship, practical job-finding methods, tools and classical networking with others to gain insight into individually targeted career pursuits and methods for overcoming the barriers inherent in the job market.
