## Summer Camps at St. Hubert Catholic School!

The Totus Tuus college missionaries came to St. Hubert this summer for a week long spiritual summer camp! Kids grades 1-6 enjoyed 5 days of Faith, Friends, and Fun! There was a Totus Tuus camp for Junior High and High School Students too!

St. Hubert hosted a Basketball Camp {a hoop session} that worked on a cutting-edge approach to skill development. Players worked on Hard skills: shooting mechanics, ball-handling, and finishing moves, Soft skills: appropriate offensive and defensive reads, and worked to build good game habits.

Children Grades K-6 Invented the future at Camp Invention! At Camp Invention, a program of the National Inventors Hall of Fame, children were presented with fun hands on activities that encourage creative problem solving, teamwork, entrepreneurship, and curiosity.
